ABOUT ME

I am Computer Science Engineering student passionate about web development and technology. Skilled in HTML, CSS, JavaScript, Python, and IoT, I enjoy creating responsive and innovative projects. As a national-level boxer, NCC cadet, and Event Coordinator in the Web Development Club, I bring leadership, discipline, and teamwork to everything I do..

EDUCATION

2023 - 2027[NOW]

Bachelor of Engineering

Computer Science & Engineering
Prince Dr K.Vasudevan college of engineering and technology
CGPA: 84.5%

2022 - 2023

Higher Secondary (XII)

Revoor Padmanama Chettie Mat Hig Sec School
MARK:490

2020 - 2021

Secondary (X)

V.O.C Mat Hig Sec School
MARK:all pass[corona batch]

TECHNICAL SKILLS

- Programming Languages: Python, Java(basic)
- Web Development: HTML, CSS, JavaScript
- Frameworks & Libraries: Streamlit, FastAPI
- Tools & Platforms: Git, GitHub, Google Colab
- Databases:MySQL

SOFT SKILLS

- Leadership
- Teamwork
- Time Management
- Teamwork
- Creativity
- Communication Skills

HACKATHONS & EVENTS

- SIH(Smart Idian hackaton)
- paper presentation,SRM
- VishwaKarma awards participant

INTERSHIP EXPERIENCE

IT Intern – Switch Automobiles (a subsidiary of Ashok Leyland)
Location: no.1, sardar patel road, guindy, chennai-600032

1-6-2025 TO 30-6-202

PROJECTS

1. Punch Detector – AutoScore: AI-Powered Scoring & Performance Analytics for Combat Sports

- Developed an IoT-based system to detect and analyze punch impact using sensors and ESP32, providing real-time scoring and performance analytics for athletes.

2. AI-Powered Mobile Platform for Democratizing Sports Talent Assessment

- Created an AI-based mobile platform for real-time sports performance analysis and virtual coaching, connecting athletes and coaches through a unified system

3. Retail SOP AI Assistant

- An AI-powered role-based assistant that uses natural language processing and document-based knowledge retrieval to provide instant Standard Operating Procedure (SOP) guidance for retail operations with integrated feedback and admin analytics

4. AI-Assisted Portfolio Website

- Built and deployed a responsive portfolio website leveraging AI assistance to enhance design, content quality, and development efficiency.

LANGUAGE

- ENGLISH
- TAMIL

EXTRACURRICULAR ACTIVITIES

• Event Coordinator

Web Nexus Club, Prince Dr. K. Vasudevan College of Engineering and Technology. Organized and managed technical events, workshops, and web development activities for the college club.

• National-Level Boxer

Represented at the national level in boxing tournaments; developed strong discipline, focus, and resilience.

• NCC Cadet

Participated in NCC activities, demonstrating leadership, teamwork, and commitment to service.

ACHIEVEMENTS

🧠 Shortlisted for Vishwakarma Award (2025)

Recognized for innovative project “Punch Detector – AutoScore” under the theme of smart sports technology

Anna university gold medalist

I won the gold medal in boxing at Anna University competition. It helped me build discipline, focus, and resilience, which I also apply in my studies and projects.

🏆 Best Sports Woman Award (2023)

Recognized as the top female athlete in college.

CERTIFICATE

- CERTIFICATE IN PYTHON
- CLAUDE WITH THE ANTHROPIC API
- INTRODUCTION TO CLAUDE COWORK
- WEB DESIGNING (HTML, CSS, JS)
